Q11 - Is there anything that the mentor could have done differently to improve the quality of your learning experience? If so, please state below.

Faculty: **Victoria Brahe**

Response Rate: 66.67% (**2** of **3**)

1	No, she was very helpful.
2	Mentor Victoria is AMAZING! I truly appreciated her weekly note about what was due and exactly what was expected of us. She was FULLY immersed in our discussions and I always knew she had read our posts and related references, and suggested viewpoints we may not have thought about. Thank you for our incredible and important class!
