2	Weekly discussions along with the required reading was very helpful in getting me to think differently when presented with nursing scenarios.
3	Very focused on critical thinking and APA style and format needed for rest of nursing program.
4	The teacher was very responsive and helpful with all course material.
5	The assignments were excellent and the teacher provided excellent resources.
6	If I don't know how to either think critically as nurse or master the APA format, it's definitely not Professor Brahe's fault. She made sure that by the time I completed her 4-week class, I mastered the APA format and I am thankful for it because writing is not my strong suit.
7	I liked that the assignments had very clear instructions to them. The course navigation took a little time to get used to.
8	I learned so much from this course, and it helped me develop the foundation of critical thinking. I found the objective easy to follow and understand, with no challenges and great support throughout the discussions and assignments. Overall. this course was beneficial to my future courses, and I value the gain of critical thinking skills.
9	I enjoy the course activities because they improved my critical thinking skills.
10	I appreciated how clear all assignments and requirements were, and the general pace was reasonable given our entry into the program.
11	Course assignments
